Give Your Wife a Check Book

A CHECK account is a business education for a woman. A few years ago women knew little of business methods. Today there are thousands who do their own banking. Has your wife a bank account? If she hasn't, give her one today. The wives of successful business men know how to make a deposit. They know how to draw a check. Women are becoming a part of the business life of the country. We strive to please the ladies.

Remember:

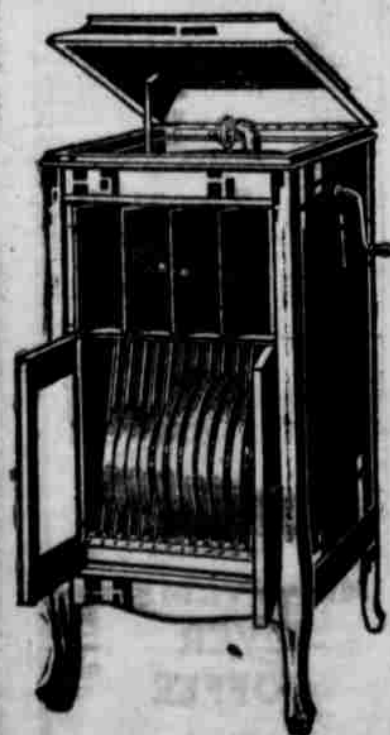

It is usually the unexpected that happens. You can never know when your home may require the services of the fire department. Friends can carry out your furniture, but only you can save your papers of value. If you keep them in a safe deposit box in our fire-proof vaults you can know they are safe, not only from fire, but also from theft or loss.

Fred T. Palmer Honored.

A banquet was tendered Fred T. Palmer at Oddfellow hall, Friday evening, Oct. 12th, as a farewell reception previous to his departure for Newberry where he will continue in the mercantile business. About fifty business men and friends assembled at the hall where a table the full length of the room was spread with eatables fit for a king. Fred was called in and a more surprised man could not have been found in a day's travel. All sat down and partook of the meal. After the party had their fill the chairs were pushed back, cigars passed and impromptu speeches were made and stories told. It was a bunch of jolly fellows well met and the evening was one of enjoyment, and good feeling predominated. A neat Masonic charm was presented to Fred as a slight remembrance and a token of the good fellowship that exists between the citizens of Yale and him.

FRED T. PALMER

Fred has spent his whole life in Yale and when he attained manhood entered into the business circles of the city, being a prominent factor in building up every enterprise that tended to making this place what it is today. He has held offices of trust and filled them with honor to himself and the satisfaction of the people.

It is with regret that we see Fred leave for new fields, but join with a host of friends in wishing him unbounded success and prosperity in his new location. He expects to leave for Newberry this week or the first of next.

A Pleasant Surprise

About 40 friends and neighbors of Mr. and Mrs. James Guy gave them a happy surprise Tuesday evening, Oct. 16, the occasion being their leaving the farm where they have resided for many years and taking up their residence a mile north and a half mile west of Yale.

The evening was pleasantly spent, and before leaving the company presented Mr. and Mrs. Guy with a pretty pair of curtains as a remembrance of their friendship. Rev. E. Charles made the presentation speech and followed up with a splendid talk on the Liberty Loan.

All departed for their homes feeling that it was good to be present.

The High School Tattler

Editor in Chief—Mildred Williams. Junior Representatives—Mildred Ruh and Lawrence Skiffington. Sophomore Representatives—Pauline Fead and Ray Alexander. Freshmen Representatives—Helen Palmer and Max Fead.

GRADE NOTES

Grace Law has returned to first grade after an absence of four or five days.

Maynard Andrease was absent from school on Monday, as he was visiting in Wayne.

Isla Kilbourn was also absent from the first grade the early part of the week.

Bruce Buckineer has entered the third grade.

On Monday of this week, the fourth grade's stock of knowledge was considerably increased by an expert sent from High school by Mr. Drouyor. The expert, with much grace and skill, successfully demonstrated the art of hang a transom.

The sixth grade has a new border on the board.

HIGH SCHOOL NOTES

Mr. Drouyor explained the Liberty Loan Thursday. He is very patriotic, for he is doing his bit and he urged all the teachers who could, and all the pupils who could, to buy a bond.

Teachers' meeting was held Tuesday night. Current topics of the day were discussed.

The Senior Virgil class visited the dramatization of the "Conspiracy of Orgetorix," given by the Caesar class, they thought it was fairly good for the Sophomores.

Fern Garrett, Duncan Sloat and Myrtle Wilkes visited High School Monday.

The Seniors have selected their class rings. One of that honorable class reports that they are very pretty.

English Literature class is studying Bacon's essay on "Revenge."

The Sophomore class was organized Tuesday. They elected Ray Alexander, president; Lydia Meikle, secretary and treasurer.

Mr. Barr has the Auditorium ready, the ball is blown up and practice will start the first of the week. All they lack is a whistle for Mr. Menerey.

The American History class is summing up Colonial History, in a paper, giving the story of a voyage to America in the 17th century.

The Modern History class are dressing their test which is to be held on Thursday and Friday.

It is noticeable that our boys are beginning to court "wisdom."

Mildred Williams has been elected editor in chief of the High School Tattler, with a corps of assistants from the various grades.

The High School is engaged in a great Civil War, which is expected to come to a climax Thursday evening.

Above the din of the Freshman class meeting was heard, "I nominate ice cream and pickles."

County S. S. Convention

WALDRON GEACH, Pastor.

The new church building is progressing splendidly. There are eight competent carpenters working on the church this week. It is expected that the city clock will be installed this week. The committee hopes to be able to dedicate on Nov. 11th as first decided.

The choir is busy getting special music for dedication week.
